

OLG “ALL THE FEELS”: Rebecca From Alvinston

Rebecca from Alvinston:	00:00	You’re scared, you’re nervous, you’re happy. It was so emotional. It was like waves of emotion.
Rebecca from Alvinston:	00:06	I’m Rebecca from Alvinston. And I won \$100,000 on Encore with OLG.
Rebecca from Alvinston:	00:11	I know why I’m here, like I’m here to, to shoot a commercial but that’s it... like I don’t know what I’m walking into.
Rebecca from Alvinston:	00:20	They blindfolded me and then walked me out there, and I opened my eyes and looked around and what I noticed first was the guitars. Thanks to OLG today I’m a rock star.
Music interlude:	00:31	
Rebecca from Alvinston:	00:33	It was actually a year to this date that I got my ticket. I’ve never won anything like this. It was so emotional and I had called my mom and told her, and she was like, “Oh, April Fool’s is done”. I was like, “I’m serious!”
Music interlude:	00:46	
Rebecca from Alvinston:	00:48	Thinking of how much it is and how much it’s going to change my life, it’s exciting ‘cause it brings stability to mine and my... my girls’ lives. So at this point that’s priceless.
Music interlude:	00:58	
Rebecca from Alvinston:	01:01	Being here today I feel like I’ve won the lottery again.
