

OLG Jansen of East Gwillimbury - Giving Back

Jansen: [00:04](#) Most people see this as a financial issue. I see it as a moral issue.
How many people can I help with this? What kind of changes I
can make with this money?

[00:14](#) I joined the Canadian Armed Forces because I wanted to help people and
serve. That's kind of at the core, who I am.

[00:19](#) There's some charities and not-for-profits that I want to set up.
So, not going to let this change me but just, you know, do good
things. That's the hope.
